

Products

Automation

- Components of industrial automation SIMATIC S7
- Industrial Network SIMATIC NET
- Industrial PC
- SIMATIC PC
- Human Machine Interface TD / OP / MP / TP
- Supervision : Protool / Win CC
- SIMATIC PCS

Drives and Variable Speed controller

- Low Voltage Motors
- Speed Drive (Micromaster/Masterdrive/Simodrive)
- Vacuum Pumps and compressors
- System controller

Low Voltage Equipment

- Contactors and auxiliary relays
- Disjuncture and protections
- Auxiliary and command
- Proximity Detectors
- Transformations and Power Supply
